BY LANDMARK

Asmi Surfaces is a leading distributor of tiles, natural stone, quartz, and mosaic in Midwest America. The name Asmi is derived from the Sanskrit word "asmi" which means "I am". It was inspired by our love for design and the way art can transform your space into something truly special. Asmi resonates with the company's core value of treating customers as individuals and taking the time to understand their needs and desires.

We have grown to become one of the largest distributors with an extensive portfolio of products. Asmi's commitment to quality is what makes us the top choice for all your tile, natural stone, quartz, and mosaic needs.

INTRODUCING THE GEMMA COLLECTION

The captivating beauty of marble is represented in this stunning new US-made collection. With five colors ranging from light hues of onyx to bold black in sizes 12x24 and 24x48, the Gemma collection delivers a luxurious and timeless style that will elevate any residential or commercial space. The Gemma collection comes in honed and polished finishes, two mosaic styles, and a trim piece set

VISION COLOR

widens Landmark's resin-effect selection with 8 tones, inspired by hand-brushed resin, reproduced in all its depth. A collection where colors, nuances, and contrast are the main features characterizing every project. Vision Color can be matched to other Design Work Collection to obtain original combinations with a strong personality, enhancing the style of any environment, both residential and commercial.

OFFROAD

— COLLECTION —

The four soft limestone colors with subtle movements provide a serene and organic feel for any residential or commercial setting. The Offroad collection is available in sizes 12x24 and 24x48 along with two geometric deco styles, coordinating mosaics, and trim pieces. The three finishes; honed, polished, and textured make it ideal for indoor as well as outdoor installations.

A little extra: Offroad offers two bold decos in honed and polished finishes: the Arrow deco in 12x12 and 24x24 and the Stria deco in 24x24. Their versatile patterns lend themselves to endless design options.
