ZENIT (Porcelain)

By Iris U.S.

Zenit porcelain tile is suitable for floors, walls and furnishing applications. With a very low water absorption rate, this material is great for showers, SPA and pool areas. Due to its fire-resistant qualities, Zenit porcelain tiles can be used for fireplaces and kitchen applications. The matte finish can be both, aesthetically pleasing and provide safe functionality for floors and stairs.

NORWAY (Stone)

CHARME (Porcelain)

By Landmark Ceramics

Marble brings interior decoration up to date with its natural and exquisite elegance. Porcelain surfaces inspired by precious marble to reinterpret the new contemporary residential and commercial venues with a fresh and dynamic style. The finish is soft and natural, colors are deep and intense. The floor and wall collection creates veritable architectural masterpieces enriched with an exquisite set of decors.

BIANCO OLYMPUS

The white backdrop of Bianco Olympus Quartz provides a clean and sophisticated canvas, while the gentle veins add a touch of depth and character. The light veining gracefully meanders across the surface, creating a delicate and harmonious visual appeal.

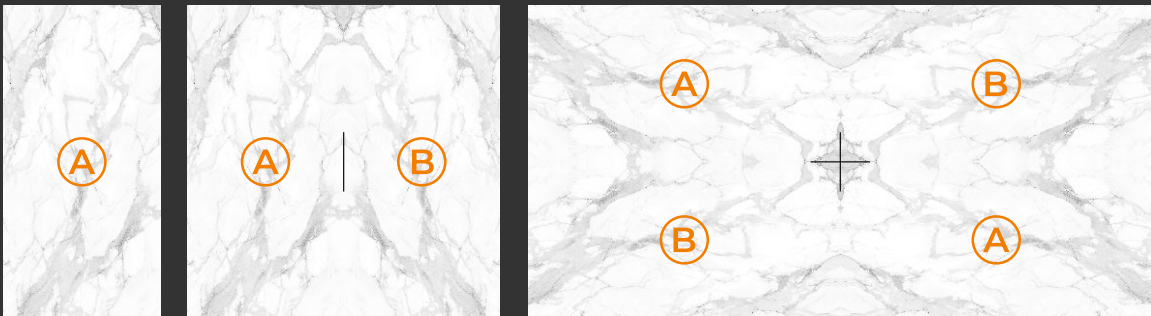

VITA

Complex structure formed by lively grey veining merged with darker pencil lines presents an engaging design. An exquisite expression of character that will draw attention. Consider adding this engineered stone to your kitchens, bathrooms and other applications for an impressive outcome.

BOOKMATCHED

This pattern is designed following book matching, so two or more adjoining slabs have a mirroring effect, giving the impression of an opened book

BLUE AZUL CELESTE DUNES GRANITE

This stunning granite variety features a captivating blend of blue, gray, and beige tones, creating a truly unique and dynamic appearance. This natural stone is heat and scratch resistant, making it ideal for high-traffic areas such as kitchen countertops and bar tops.
