Embrace the Latest Trends with Our New Collection.

We specialize in offering a wide range of surfaces, including tiles, natural stone, engineered stone, and quartz, all showcasing the best of current trends. However, what truly sets our surfaces apart is their exceptional longevity and superior quality.

We take pride in providing our customers with surfaces that are built to last. From durable tiles to resilient natural stone, and from high-quality engineered stone to long-lasting quartz, our surfaces are crafted with meticulous attention to detail and designed to withstand the test of time.

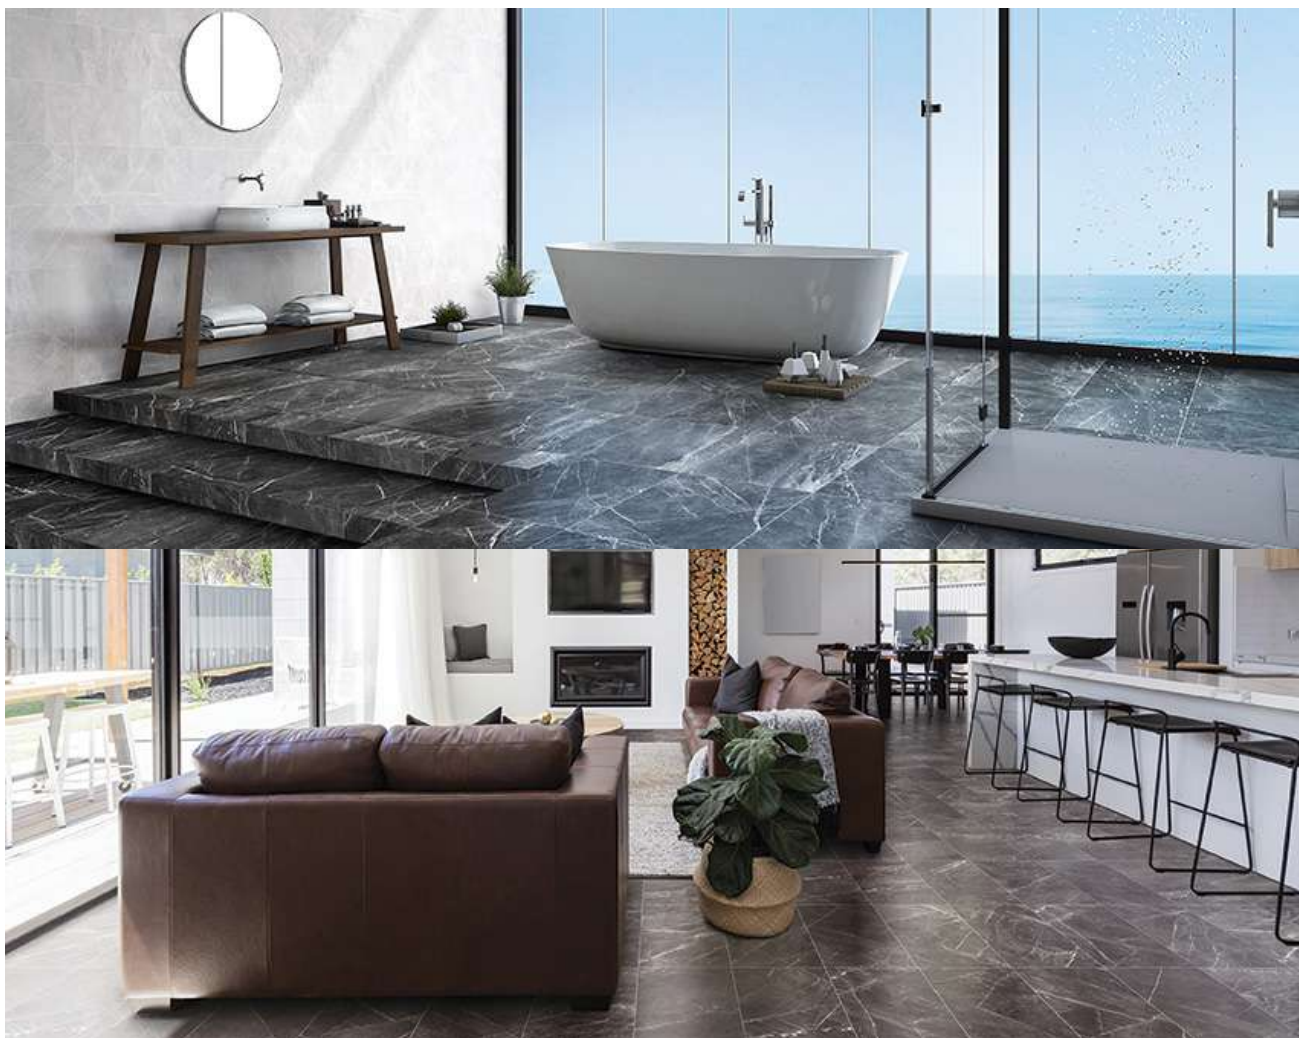

“ Inspired by the iconic Art Nouveau movement, this collection pays homage to the intricate beauty and fluid lines that defined an era. ”

IMPERIAL STONE

By StonePeak Ceramics

Imperial Stone replicates the natural texture of quarry sourced stone with all the benefits of porcelain tile. The marble-look collection is characterized by light veining and available in five earthy tones and two finishes. Complementary trims and three on-trend mosaics complete the collection.

MOORISH

By Mir Mosaic

Immerse yourself in the enchanting world of intricate patterns and vibrant colors as this small ceramic tile collection pays homage to the rich heritage of Moorish artistry. Each tile is a testament to the beauty of geometric motifs and the allure of Moroccan design, bringing a touch of exotic elegance to your space.

COTTAGE

By Equipe Cerámicas

The character of brick and the versatility of subway tile exhibit your space beyond traditional norms.

CERAForge

By Anatolia

Color Body Porcelain

Inspired by a gritty modern cityscape, Ceraforge embodies the casual feel of the utmost contemporary design.

Worn cement, oxidized metal, the fluorescence of an ancient stone all come together in this unique line. The rectified edges accentuate the modern appeal of this collection and its inherent technical resilience allows for usage across a wide spectrum of applications including outdoor settings.

Glazed Porcelain

The classic beauty of marble in a neutral and brilliant color palette of candid whites and silvery shades.

The simple beauty of neutral marble tones and silvery grey veining is the essence of this fundamental Plata collection, a faithful reinterpretation of the finest natural surfaces executed in porcelain.
