In this month's newsletter, we explore the latest trends in tile design, focusing on natural colors that resonate with the urban organic aesthetic. As urban spaces evolve, so too do the materials that define them. Here are some standout collections that embody this trend.

CASSERO

By AKDO

The **Cassero** Porcelain Collection by **AKDO** offers a modern take on cement-look tiles, designed by renowned designer **Defne Koz**. This collection features minimalist geometric patterns that blend seamlessly into contemporary spaces, making it perfect for both residential and commercial applications.

Available in various sizes,

18" x 36"

24" x 24"

24" x 48"

The **Cassero collection** showcases the beauty of raw materials in a refined and industrial-chic style.

The tiles come in a matte finish and various neutral colors such as white, grey, and anthracite, allowing for versatile design options.

Raw appeal, refined design.

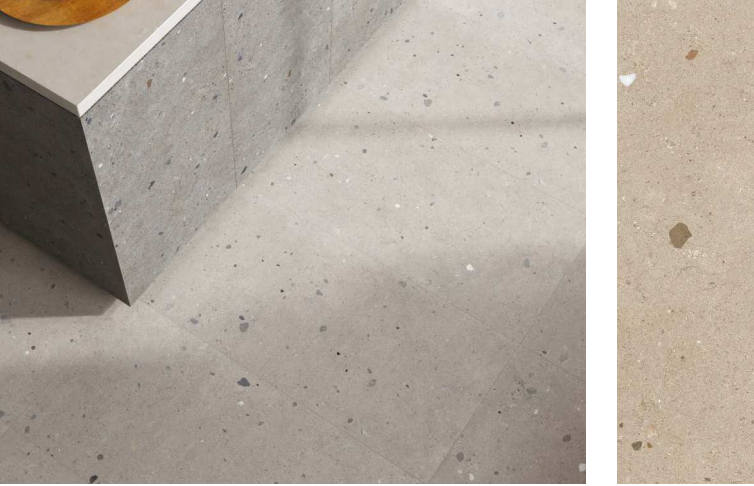

KLASTOS

By Stonepeak
Ceramics

Discover beauty of a clastic rock composed of delicate fragments represented in this new US-made collection. Klastos offers **five natural colors** ranging from a **soft white to deep grey shade** with illusion of clastic rocks formed from the cementation of these uniquely shaped fragments. Bring some Mediterranean flair to elevate your architectural space. The Honed+ finish is distinctly rich to the touch and nonreflective, creating an exceptionally natural result.

Oceanic Hues, Mediterranean Vibes.

Its unique resistance to chemicals and stains combined with an impressive **DCOF value** balances ease of maintenance with slip resistance, and renders it perfect for both indoor and outdoor applications.

TEGEL

By Roca Tile

Make a statement

The Tegel collection merges traditional and modern styles, revitalizing the classic 3x6 tile format with contemporary, vibrant graphics. These luxurious tiles transform spaces into visually stunning displays, blending timeless charm with modern design flair.
