# Crystal soulages

by Asmi surfaces

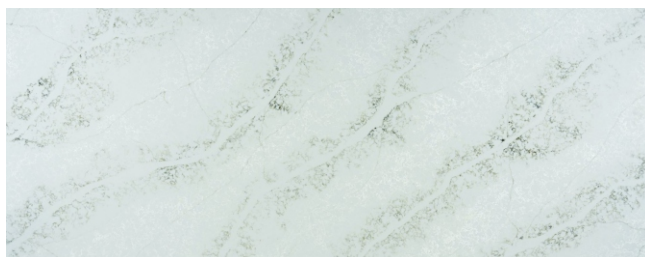

Featuring a rich, creamy base in soft beige, ivory, or light gray tones, with swirling veins of darker hues like brown, taupe, or charcoal, this elegant stone presents a dramatic and bold appearance, adding depth and a sense of movement. The overall color combination evokes warmth and sophistication without being overwhelming.

# Euphoria

By Asmi quartz

Introduce a touch of delicate detail to your space with euphoria. It offers a sleek white base with a delicate blend of warm rusty and grey long veins. These unique patterns ensure that each piece is one of a kind. Its versatile design complements any kind of interior style, making it a safe and stylish option for any home.
