Explore subtle tones with

Grespania Palermo.

Evoking the elegance of Central Asian Augustus Grey Marble, the Grespania Palermo series blends luxurious neutral tones with delicate beige and white veining. Crafted in durable, eco-sustainable porcelain, it surpasses the original stone in resilience. Its classic consistency comes in bone, grey, and taupe across versatile rectified formats like mesh-mounted mosaics, Siracusa, Lacio, and the special Apulia piece, ideal for creating herringbone patterns.

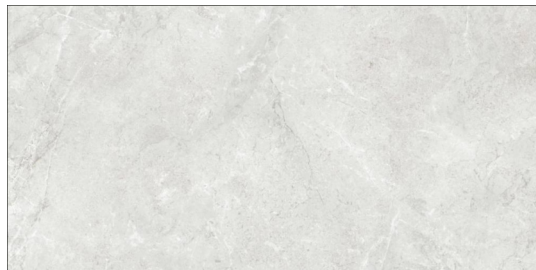

Eco-sustainable beauty,
timeless by nature.

Calacatta eternal

Effortless style

for your kitchen

Crafted with Asmi Surfaces' exclusive CrystoLux technology, this quartz surface is clean and sophisticated. A refined white base sets the stage for sweeping grey and golden veining, creating a soft, cloud-like aesthetic that feels both timeless and on-trend.

Sophisticated appeal featuring

Cote D Azure

Intricate veining that echoes natural crystal formations in shades of taupe, warm rust, and gold enhances a gentle grey foundation. Cote d'azure by asmi surfaces is a sleek, cool surface ideal for opulent counters, feature walls, or elegant flooring with a sophisticated yet natural appeal produced by its polished finish, which enhances depth and texture.

Lucent Mir Mosaics collection

Cool Porcelain, Hot Glow. Lucent by MIR Mosaic is luxurious porcelain tile that captures the glow of natural gemstones. Elegant by itself, it transforms, glowing and shimmering beautifully when backlit. Designed to let light shine through. Available in Ivory, Gold, and Labra as large slabs and matching mosaics. Create stunning, elegant spaces.
