Your Next Favorite Surface Is Here

We're talking wall tiles that pop, floor tiles that ground the room,
quartz that shines, and natural stone that tells a story.
Bring your interior game up a notch this
July with surfaces designed to impress.

Featured Surfaces

Welcome to the July edition of Masterpiece.

Welcome to the July edition of Masterpiece. This month, we spotlight surfaces that bring calm and clarity to design. From La Riviera wall tiles and Lythos floor tiles to natural stones like Cristallo Venato and Matarazzo, each product adds timeless appeal. We also feature Macavella, a quartz surface inspired by classic marble perfect for elegant, modern spaces.

Lythos by Stonepeak

Inspired by French limestone and the strength of Ambrosia stone, Lythos blends elegance with character. Its unique veined texture and soft fractures bring depth and movement to any space. Available in soothing tones like Snow, Sand, Clay, and Coal, Lythos offers timeless appeal with a semi-polished finish for a sophisticated, natural look.

NATURAL STONE

MATARAZZO

A statement in sophistication, Matarazzo is a rare natural stone prized for its graceful movement and timeless beauty. Its bold, flowing gray veining and warm gold accents stretch across a pristine white canvas, creating an effortlessly luxurious aesthetic. Each slab is uniquely dramatic ideal for upscale interiors, including kitchen countertops, statement islands, wall features, and bespoke applications where elegance meets endurance. Carefully selected from the finest quarries, Matarazzo is where nature's artistry meets modern design.

NATURAL STONE

CRISTALLO VENATO

Cristallo Venato showcases timeless elegance with a soft white base and bold, directional veining in shades of gray and gold. Each slab presents a unique visual flow, adding movement and character to any space. Sourced from select quarries and known for its refined beauty, Cristallo Venato is perfect for high-end countertops, vertical wall cladding, and custom interior features. Its polished finish and rich tones make it a favorite among architects and designers.
