Featured Surfaces

Welcome to the June edition of Masterpiece.

This month, we are focusing on spaces that support calm and clear design. The materials featured include River Blue Marble for countertops, Statuario Lincoln Jumbo for quartz surfaces, Ridgeline by Walkerzanger for floors, and Corsica by Equipe Ceramicas for walls. Each item was selected for its ability to bring consistency and order to interior projects. This edition looks at how these surfaces help create spaces that support function, flow, and simplicity.

NATURAL STONE

RIVER BLUE

Rivera Blue is a natural stone with layered patterns in blue, gray, and beige tones. It is suitable for countertop applications, offering a consistent surface with directional flow. The slab is available in a 3 cm thickness, sized for functional and visual continuity in kitchen and bathroom installations.

STATUARIO LINCOLN IN FOCUS

Statuario Lincoln marble has a white base with gray lines that move across the surface. The pattern adds flow and direction to the space. It works well for countertops, walls, and floors, and supports a clean, simple layout. The surface reflects light evenly, helping the space stay clear and open.

RIDGELINE

by Walkerzanger

Ridgeline's large-format tiles replicate the appearance of wooden oak whilst maintaining the high durability and easy maintenance unique to porcelain. The color range of four natural wooden tones do well to complement the visual texture, creating a versatile look that pairs well with traditional designs or can pair stunningly with any range of unique installations as well.

**MEDITERRANEAN SIMPLICITY
SEAMLESS DESIGN**

The Corsica collection draws from Mediterranean design with warm tones and clean layouts. Its matte finish with subtle relief adds a smooth, calm feel. Made from porcelain, it's suitable for both walls and floors, offering versatile use
