THE SURFACE EDIT APRIL 2026

# This month is about clarity

---

Most spaces fail at the same point.  
Too many options. No direction.

We simplify that.

This edit focuses on three things.

White quartz.

Statement surfaces.

Real applications.

Everything you see is available in showroom.

**VAULT**  
COLLECTION

# Vault Collection

AVAILABLE AT ASMI SURFACES

---

Vault is made for projects that demand impact.  
Stronger slabs.  
Consistent finish.  
Designed for large scale use.

This is not background material.  
This is the surface that defines the space.

# Where vault works best

Large kitchen islands.  
Commercial counters.  
Open concept layouts.

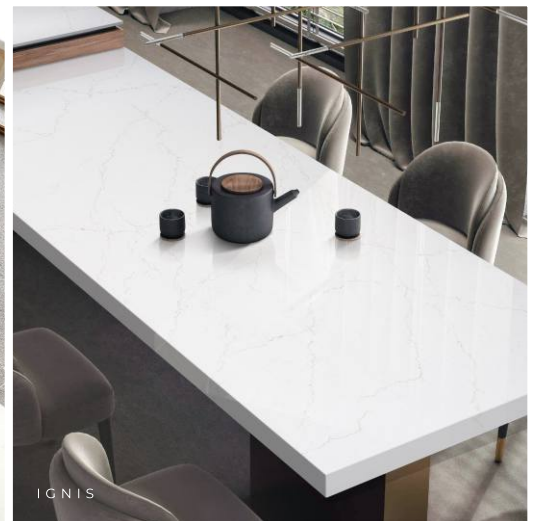

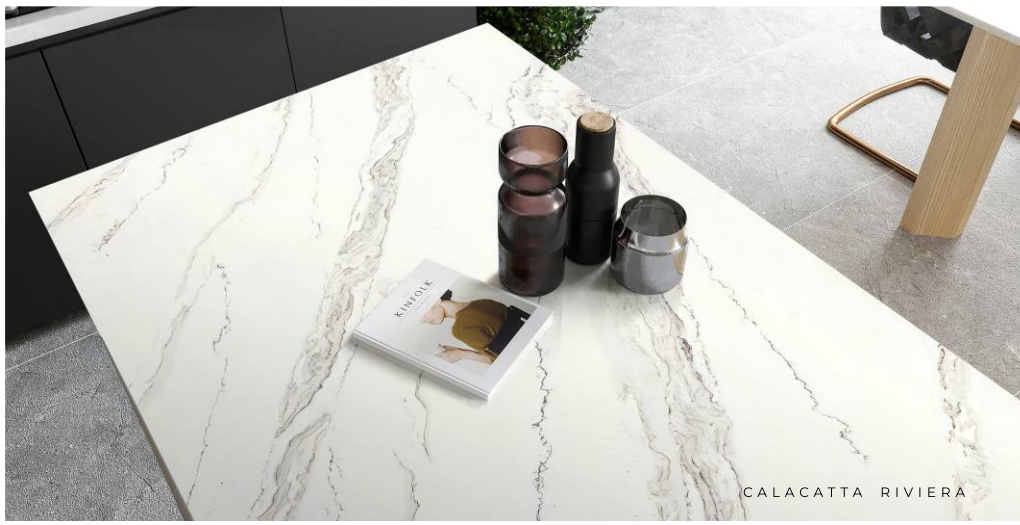

When scale increases,  
material quality becomes visible.

**VAULT IS BUILT FOR THAT SCALE.**

# White is not one surface

WHITE QUARTZ

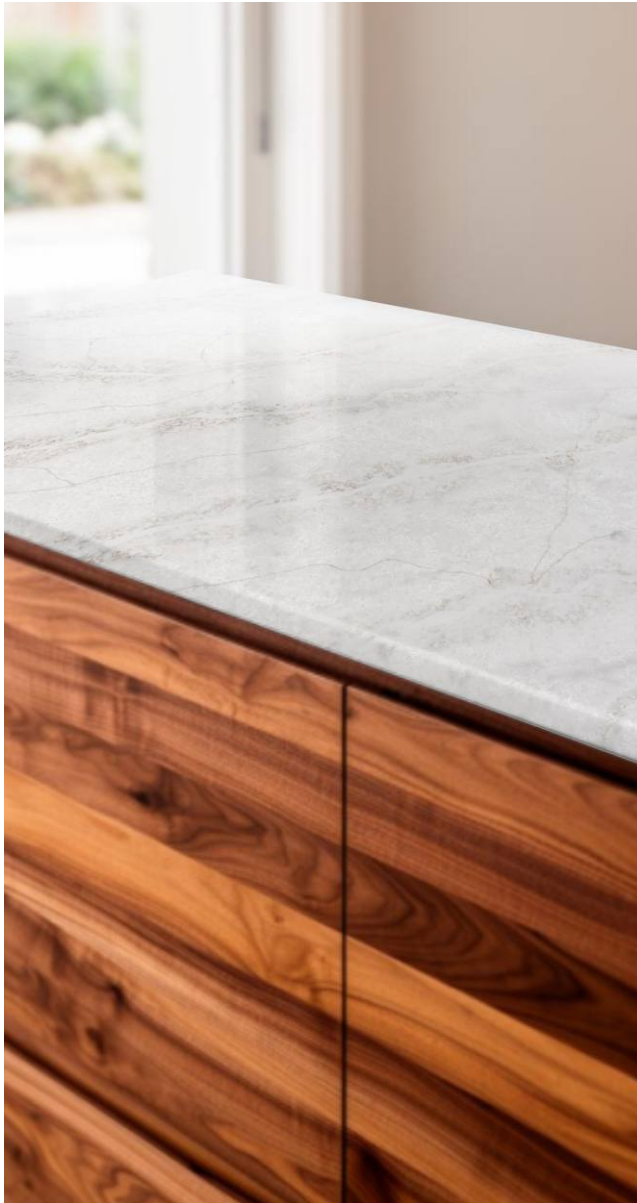

# Not all whites are created equal

White is often seen as simple, but in surfaces it reveals remarkable depth. From soft textures to expressive veining, each slab carries its own identity.

At Asmi Surfaces, our white quartz collection offers a refined spectrum of character, from subtle and understated to bold and distinctive, designed to elevate modern spaces with timeless appeal.

# Pairing Made Simple

---

LIGHT QUARTZ | WARM WOOD

Use light quartz with warm wood.  
Use bold surfaces with minimal cabinets.  
Avoid mixing too many patterns.

BOLD SURFACE | MINIMAL CABINET

One surface should lead.  
The rest should support.

# Taj Exotica

BY ASMI QUARTZ

Soft movement, Controlled pattern.

---

Works best in large kitchens.

Handles daily use.

Maintains consistency across slabs.

Used where both function and finish matter.

# Designed for Outdoor Elegance

## JERICA PORCELAIN FIELD TILES

---

Jerica tiles combine natural stone aesthetics with durable porcelain in a sleek brick format. Perfect for facades, garden walls, and outdoor accents that need texture and lasting performance.
