people live now.

THIS MONTH'S FOCUS

**THE NEW
WARMTH
IN QUARTZ**

INSIDE THIS EDITION

Great surfaces begin with thoughtful choices.

This month, we look at the direction shaping interiors around the world and the materials bringing those ideas into everyday spaces.

From warmer quartz tones to natural movement and smarter material selection, August is about finding the balance between beauty, performance, and lasting design.

WHAT THE WORLD IS CHOOSING

Across global design markets, surfaces are moving in a warmer and more refined direction.

—
The strongest looks feel natural, balanced, and easy to live with.

01

WARM NEUTRALS

Cream, sand, taupe, soft beige, and warm white are becoming essential tones in modern interiors.

02

NATURAL MOVEMENT

Flowing veins and quartzite-inspired patterns are bringing more depth and organic character to surfaces.

03

QUIET LUXURY

Luxury is becoming less about excess and more about thoughtful detail, refined finishes, and natural color.

A GLOBAL MARKET, A SMARTER CHOICE.

Quartz remains one of the most important materials in today's surface market.

Material selection is becoming more thoughtful as sourcing, design preferences, and customer expectations evolve.

Natural Beauty,
**Engineered
Performance.**
