MASTERPIECE

Oct 2026

THE GOOD STUFF IS INSIDE.

October brings everyone closer to home.

FALL GATHERS HERE.

A Midwest season, shaped around the surface.

As October brings cooler days to Kansas and Missouri, the kitchen takes on a new rhythm: weekend baking, warm drinks, and dinners that stretch a little longer. A distinctive stone surface brings natural character to everyday meals and gatherings.

A season of gathering starts at home.

THE MATERIAL LIBRARY BECOMES A COMPETITIVE ADVANTAGE.

A strong material library helps projects move forward with more clarity. Clients and professionals can compare color, finish, and scale in person for faster, more confident decisions.
